FAIRFAX INDUSTRIAL DISTRICT: AMERICA'S FIRST PLANNED BUSINESS PARK

DEBBIE TANKING, KDOT

Debbie Tanking is a Road Design Leader for KDOT and the project manager for the Lewis and Clark Viaduct project.

MATTHEW DAULTON, MODOT

Matthew Daulton is from a small town in central Illinois (near Champaign-Urbana). He did his undergrad at Southern Illinois University. He began working for MoDOT in 2009. While working at MoDOT he completed the Engineering Management Masters degree at KU. In his time at MoDOT, he has worked in the construction department. His most recent projects are the Manchester Design Build and the Fairfax Design Build project. As of June 1st, he is the Assistant District Maintenance Engineer for MoDOT's KC district.

STEVE DAILEY, FDD

Steve Dailey graduated from UMKC School of Civil Engineering in 1978. He is a registered Professional Engineer and has been serving as General Manager for the Fairfax Drainage District for 24 years. In addition to his work at FDD, he serves as Vice President of both the Fairfax Industrial Association and the Missouri and Associated Rivers Coalition (MOARC).

Special thanks to this month's host and sponsor:
