FAIRFAX INDUSTRIAL DISTRICT: AMERICA'S FIRST PLANNED BUSINESS PARK

Featured Speaker: Taylor Fry, Project Coordinator, American Royal Campus
Topic: The Future of the American Royal – The Epicenter of Agriculture

Taylor has been involved with the American Royal Campus project since 2017 upon graduating from Kansas State University with a bachelor's degree in Marketing. She first joined the Kansas Department of Agriculture as a Project Development Coordinator, specifically assigned to the American Royal relocation. In April of 2019, she transitioned to the American Royal, working full-time managing the details of the project.

Prior to joining the project, Taylor served as Co-Chair of the K-State Proud Campaign with the K-State Foundation and was highly engaged with the K-State Alumni Association as a market research intern and Board of Directors member.

Special thanks to our luncheon host and sponsor Hilton Garden Inn.
