Want an opportunity to make a difference in the local community? Here's your chance! On **Saturday, November 20, 2021** Empire Candle Co. LLC will be hosting a **donation drive** in the main parking lot of our **2925 Fairfax Trafficway** location. We will be collecting **non-perishable food items**, **warm clothing (coats, hats, gloves, etc.)**, and **new unwrapped toys valued at \$10 or more** to benefit our local community. Through strong partnerships with Heartland 180, Avenue of Life, and Michael Bergen's Hands to Heart, these donations will make their way to families in our area who need them most! After the last 18 months of uncertainty, this will be a great way for those of us who have been so fortunate to give back to our friends and neighbors.

This event is **open to the public** and everyone is welcome to swing by and drop-off their items between **10:00am until 4:00pm**. In return for your generous donation, we will be handing out a free surprise candle (while supplies last) plus a promo code that can be used on our e-commerce site, www.TuscanyCandle.com! We are also planning some other fun activities, including live radio broadcasts, food trucks, and much more!

We also need everyone's help spreading the word about this special event so tell everyone you know! Don't forget to include the hashtag **#EmpireCares** when you post on social media. Let's work together to strengthen that critical community connection!
