

Empire Cares Event

Hello,

It's that time of year again and we are excited to announce the 2024 Empire Cares Event. This year, we are moving the event to Thursday and Friday, November 21st and 22nd, from 6 AM to 6 PM. This will allow people and businesses to drop off donations throughout the day. We will have the drop off location set up on the north lot of our 2900 Fairfax Trafficway building. This is located directly across the street from our production facility. We are offering two donation avenues this year.

1. Toy donation - Hand to Heart, "Toys for Disadvantaged Children" was established in 1994 by Michael Bergen. It is a not-for-profit/volunteer organization that helps thousands of kids every year by delivering toys to low income families. I have seen first-hand the amazing work that Hands to Heart does and watched young school children in the area, light up when the "Toy Man" and his band of merry biker ride up to deliver toys.
2. Monetary donation – Heartland 180 Inc., a non-profit organization, was established to assist and support disadvantaged youth and young adults. Their primary objectives include helping these individuals achieve academic success and enabling them to realize their full potential. This organization represents a vital effort to address the needs of underprivileged and underperforming youth in the heartland region, offering them a path to a brighter future

Link to donate to H180 <https://www.zeffy.com/en-US/donation-form/35ede825-0409-4fcf-b329-a625599bbe00>

Your contribution in making our community a little brighter is greatly appreciated! Feel free to share this information to anyone who might be interested and please pass along my contact information if people have questions.

Thank you,

Eric P. Welsh
